Glamping, Costa Rica and the Arctic

Cool Costa Rica

There are some great hotels in Costa Rica but the Andaz Papagayo looks like it's really going to raise the bar. Opening in December where the Gulf of Papagayo meets the rainforest, its modern wooden exterior filled with woven textiles and carved local artefacts is a style statement. All of its 153 rooms, including 21 suites, will have an ocean view. They cost from \$400 (£264) per night (papagayo.andaz.hyatt.com). If the meeting rooms look like this we can't wait to see the hotel rooms.
